Beautiful 2007 mare - Northwest Executive Pardon (RJM Pardon My French X RGM Vikings Treasure) Gorgeous dark bay, 15h. Rides and drives. Shown driving as a 2 year old then injury forced her to the back burner. Pretty head and gorgeous neck. Happy disposition. Wants to play and craves more attention than we are giving her! She is already a good carriage horse. (She pulls our carriage around the farm - which she loves.) Well started and willing under saddle. No vices. Only selling b/c we are getting old and must reduce our numbers, and Bunny (she was born on Easter) needs a good home. \$5,500. For photos, videos and more information, contact Shelley at skedling@aol.com

Jazztime Mardi Gras available on a free breeding lease. Mare, 15 h, solid bay, foaled 1998. She is our last daughter by Shiloh Bold Command (x Flight Commander out of a double Rockfield daughter). Her dam is HP Confetti whose pedigree includes Waseeka and other well known bloodlines. Mardi's pedigree is not replaceable today. She has given us two lovely daughters, has been easy to settle in foal, continues to cycle consistently, has always been maintained on a regular farrier, vaccination and worming schedule, is sound and in great health. We are retired and no longer breeding and would hate to have her blood disappear into oblivion. Mardi has been professionally trained, has great manners and is currently located in the north Phoenix, AZ area

Don't hesitate to contact Nancy Jewell, 509-981-0638 or jazztime76@yahoo.com for more information, complete pedigree, show record and photos of Mardi and of her daughters, Jazztime Diamond Mosaic and Jazztime Play Date.

Absolutely awesome 2005 bay broodmare for sale. Dresser Hill Jennifer is by Aspenglow Insurrection and out of a Carlyle Command daughter. Jen is professionally trained to ride and has been ridden here at the farm as a dressage horse. She long lines beautifully and would probably drive too. She is in foal to Scandias Anthem for a mid May foal. \$5000.00. Scandiamhf@gmail.com or 503 366 0918. We are reducing our herd.

Gladheart Madrone is a 6-year-old, 14.3h, bay Morgan mare ready to take on anything you want to try! Well-started undersaddle (W/T/C), she is forward-thinking with three balanced gaits including a ground-covering walk and lovely up-hill canter. "Maddy" has been introduced to low jumps and the trail. Bred with sport in mind, her sire (Rogue Hills Woodsman) was the winner of the 2009 Pacific Northwest Morgan Versatility Award and her "uncle" is our FEI dressage gelding, Gladheart Linhawk. Very fun to ride and very trainable, Maddy gets along well with other horses and has no vices. She is UTD on farrier and veterinary care. Excellent feet and legs; she is ridden barefoot on the trail. Trained with dressage as the focus, Gladheart Madrone has a solid foundation, and the talent for any disciple that requires an athletic, willing equine partner. Suggest an intermediate rider as Maddy is still relatively young as far as time undersaddle. \$4000. Jack and Nadette Stang/Gladheart Farm and Morgan Sport Horses 541-740-2890. Gladheartfarm1@msn.com

Gladheart Jory (Gladheart Black Harris x W Nugget's Cowgirl Up). Coming two-year-old, chestnut filly from outstanding sport and western breeding, Jory would make an outstanding broodmare prospect in addition to already demonstrating lovely gaits and that balance and "sit" so essential for sport. She looks like she will be between 14.2 and 14.3 when mature, very pretty and personable. Potential as a "sport pony" mount for dressage, but athletic enough for anything her rider would like to try. \$3500. Jack and Nadette Stang/Gladheart Farm and Morgan Sport Horses 541-740-2890. White Pine Mountain Mist (Misty) is a nine year old reg. Morgan chestnut mare that loves to trail ride. No trail is too long for her. She crosses water well too. She has wonderful hard hooves and great conformation. She stands an easy to mount 14.2. As a youngster she had 45 days of professional training and then started her on the job training in the mountains of N. Idaho. She stands well to mount, has never bucked under saddle, and is a nice horse to ride. Misty loads well, stands for the farrier, takes her shots and dewormer, and ties. She does need an advanced rider due to the fact that sometimes she needs a little reassurance from her rider that something she has noticed isn't a problem and then she goes merrily on her way. \$1,800 Judy & Dave Atchison (208) 245-9043 -ja@whitepinemorgans.com

1993 15H Black Morgan Mare. " Dusky Lady" (Sage) 0130644. Ramuls Rascal x Ramuls Nitebird. Ramul Dvarshkis bred all his stock for stamina. Primarily used for trail riding. Dun Stole My Heart (Dusty) - Very handsome dun Morgan gelding 9 years, 15+ hands. Lovely neck, cute head. Great jog with super carriage. Has been trail ridden and even packed an elk out last fall. Spent time with Jean Sauer, and spent a couple months last summer with a well-known reining trainer who thought he was a super reining prospect – good withers, very sensitive and quick on his feet. Definitely nice enough for the show ring but needs finishing touches. I simply don't have time for this darling boy and husband is probably done hunting. No vices. Good home a must for this personable boy who will steal your heart. For photos and info contact Shelley at skedling@aol.com

Cobridge Maximum Finale (Mtn Laurel Maximilian x Trebels Wild Affair)- 1999 15'2 hand chestnut mare Curly, was shown in Hunter Pleasure as a Junior Horse and then moved to the Amateur classes later but she loves to jump more than be shown as a Hunter Pleasure horse. She has been schooled 3'3" but primarily shown at 2'6"-2'9" (no fault of hers I just wasn't ready to show any higher). Curly has been on trails by herself and in a group and does great, goes through water, over bridges, open trails, narrow trails, horse camping, etc.

She is a very lovely mare with a wonderful sweet disposition to go with it! Selling due to sever back issues have forced me to give up jumping and riding in Hunt Seat tack all and change disciplines entirely. I have ridden Curly under western tack and she does have a lovely smooth jog but I just don't have the time to really work on her to go western. I have given some lessons on her to my high school kids that I coached, she even taught one of them to jump! She is looking for her forever home where she can be used and have a job again. Please serious inquires only. Asking \$3000obo Please contact me Josie Coughlin at josiepc9@gmail.com or 541-295-0701
